

Welcome to our School

The
Highfreeschool

Feel free

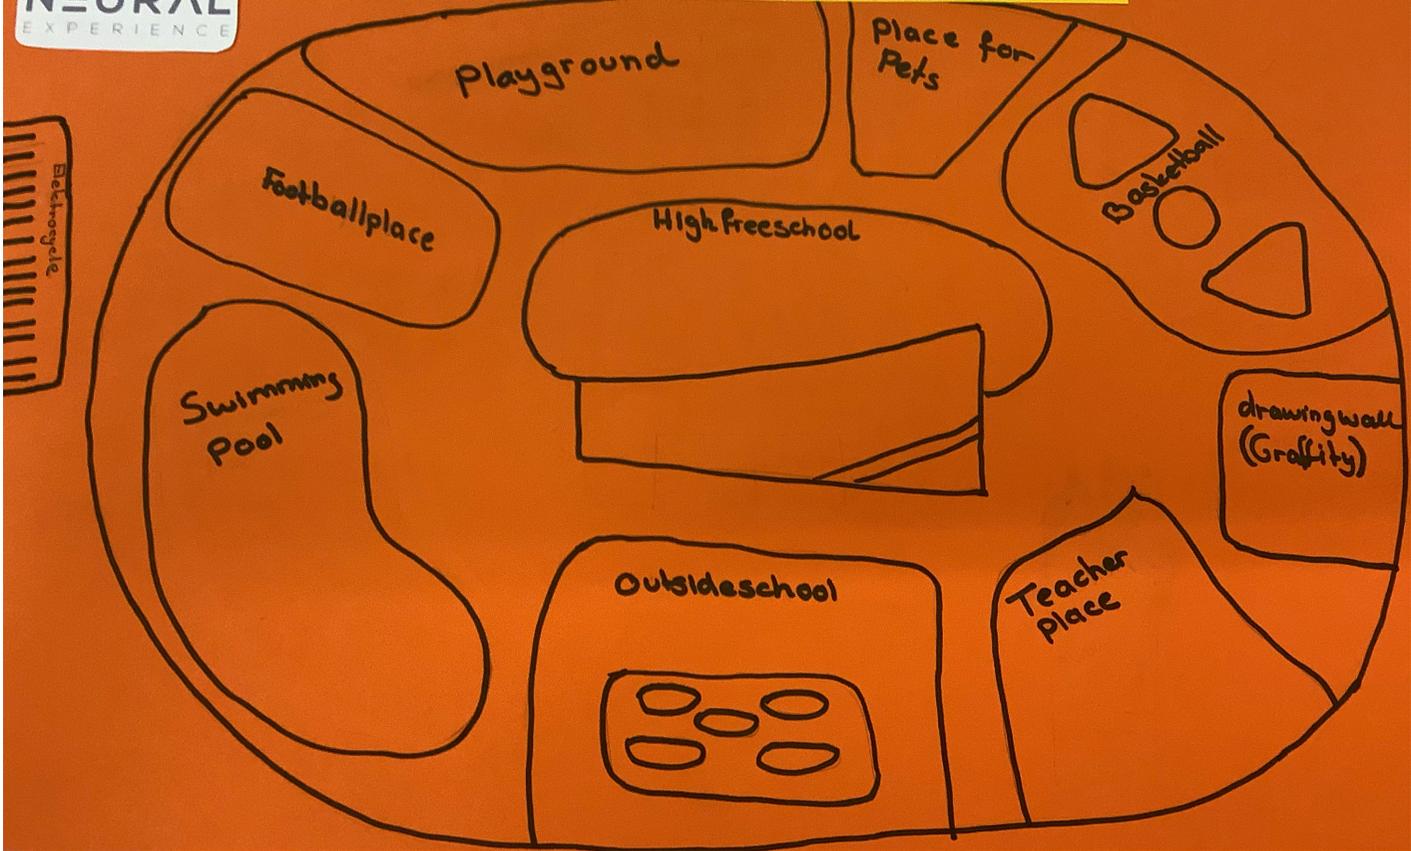

Concept

- Our school is based on free choices of studying. They can choose what they can choose how to learn but they have to do max.2 hours a week a Subject for example Maths,English,Drawing,Science.
- They will not feel stressed . They choose where they want to Study . (Outside or Inside)
- They will become a Electric Watch from the Highfreeschool where they can check the Timetable and lots of another things.

Tests and grades

- You have 3 tests in a year
- Everybody has not the same test (exp. A kid learned in this month about math then he will get a math test, a other kid learned English then he will get a English test.)
- They don't have a grade the guest have points but if they don't want points then they can do without points.

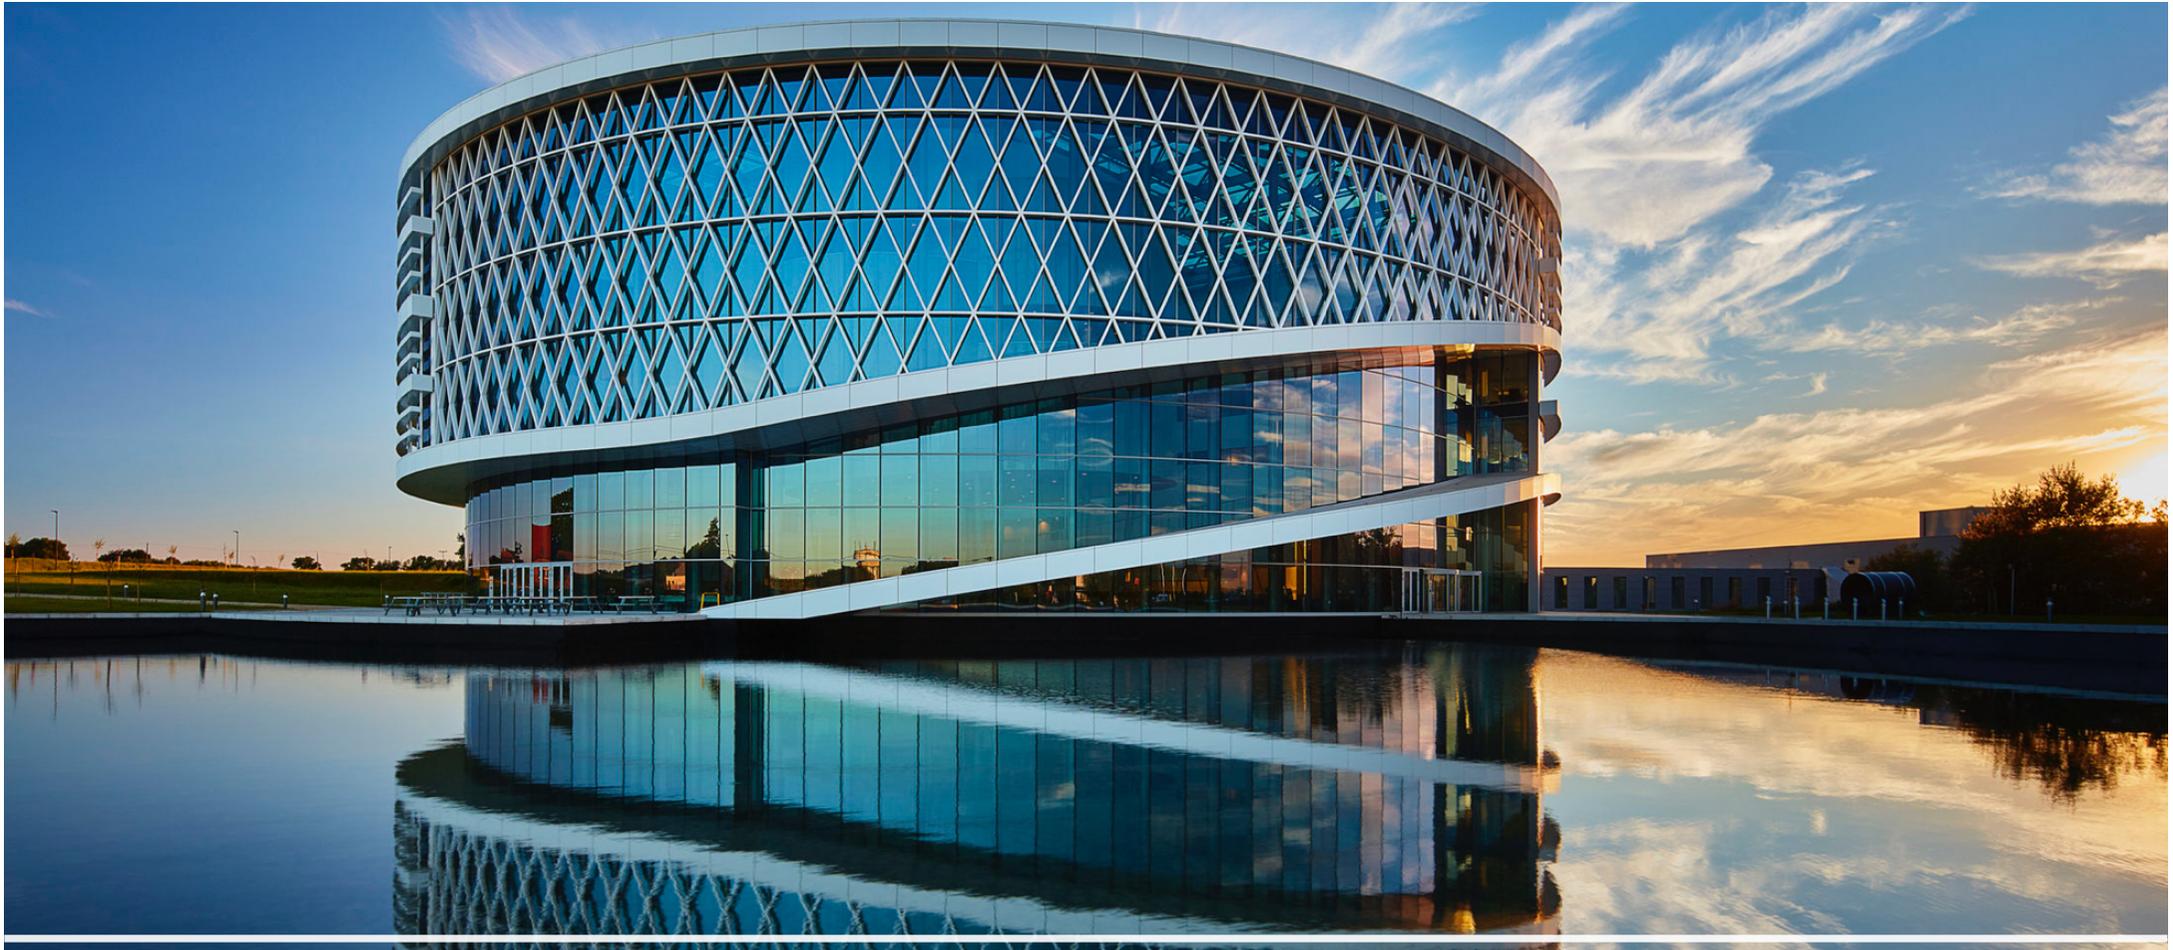

Swimming

Only in sports time or after school
